Public Remarks

This very clean, warm well built 3 bedroom 2 bath home waits for you. The real wood fireplace in the den/family room helps to create a warm and welcoming space for you. The kitchen has plenty of cabinets and counter space to prepare your favorite meals. The dining area opens up to a nice outdoor living space with a deck, an above-ground pool, and a well-landscaped yard for outdoor fun. The garage at the back of the lot is a great space for an extra refrigerator, BBQ grills, and who knows maybe even a 4-wheeler. Come and see your NextHome.

Agent Remarks

There are pets in the house, 2 cats and a miniature schnauzer. All are gentle, the cats will most likely hide, and the schnauzer should be out of the house during the showing. Please make sure you do not leave any doors open during the showings.
