Current Property Owner Contract

Property Owner: David & Sonda Underwood **Phone Number:** 704-675-2921
Inspection Address 4286 Lake Shore Rd N, Denver, NC, 28037

The inspection and report are performed and prepared for the sole, confidential and exclusive use and possession of the Client. The Client or Realtor will provide permit, plot, off field locations, operators records, repair records and all pertinent information about the system and provide them to the Inspector before the date of the inspection. The **Client** is responsible for all money owed for the inspection at service.

The Report is performed according to the "standards of practice" of the North Carolina on-site wastewater contractors and inspectors Certification Board (NCOWCICB)

It is the homeowners responsibility to move any landscape, structures, or objects placed within ten (10) feet of the septic tank.

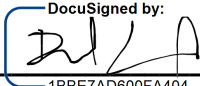

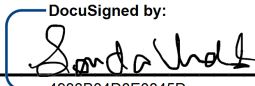

Lentz Septic Tank Service, Inc attempts to cause **NO** damage to any property, grass, landscaping, ornamentals, irrigation systems, or structures on the property; however, if any damage does occur during the course of the inspection process, we are not responsible for any such damages within 10ft of the septic tank. ***If there is an irrigation system within 10 ft of the septic tank, please mark or flag and we will do our best to work around it without causing any damages.***

Furthermore, Lentz Septic Tank Service, Inc cannot be held liable for damage to utility wires, lines or cables or water lines from a private well or public water systems. **Having utility lines over a septic tank is RARE!**

Have you had the septic tank pumped in the past? Did you have any issues with the utilities? Lentz Septic Tank Service, Inc has been servicing your area for over 60 years! We strive to give the most excellent customer service in the industry, so please give us a call if you have any questions or concerns about the inspection process. You can also visit our website for more information about our company and the services we provide.

By signing this contract, the property owner acknowledges that they have read the entire contract and agrees to allow Lentz Septic Tank Service onto their property to uncover the septic tank lids by shovel and also uncover the distribution box or drop boxes if necessary to complete the inspection. If the property has a pump tank access to the pump panel and pump alarm may also be needed to provide the inspection.

This contract is not a warranty and Lentz Septic Service does not warranty the septic system in any way.
