The Buyer and Seller this date have checked, reviewed and approved the figures appearing on the Disclosure/Settlement Statement (Statement of Actual Costs), consisting of two (2) pages. Buyer acknowledges receipt of the payment of the loan proceeds in full, and Seller acknowledges payment in full of the proceeds due Seller from the settlement.

The Buyer and Seller understand that the tax prorations shown on the Settlement Statement are prorated and shall be paid at closing, unless the current years tax bill is not yet available, at which time the prorated funds will be held in escrow by Settlement Agent until they become due and payable.

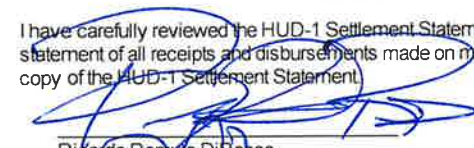

VERY IMPORTANT NOTICE! North Carolina State Law Mandates that Proceeds from a Real Estate Closing SHALL NOT BE DISBURSED UNTIL good funds are received from the borrower, the borrower's Lender(s), together with any funding number(s). Lender may request and all documents are properly recorded with the Register of Deeds. We will make every effort to expedite this process; however, Love & Hutaff, PLLC makes no representation as to the time frame for disbursing any funds from this transaction. In the event there is a payoff to be submitted, we have collected per diem to allow enough time for the payoff to be submitted and received by the Lender; however, based on the funding issues previously stated, Love & Hutaff, PLLC accepts no liability for payoffs not being immediately credited by Lender when received, issues that may arise as a result of new draws being made on an Equity Line and any other issues that may hinder the payoff process due to no fault of Love & Hutaff, PLLC.

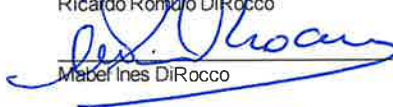

WWe hereby acknowledge and agree that certain charges on this HUD-1 Settlement Statement, including but not limited to overnight/courier and recording fees, may not reflect the actual costs and in fact may be more than the actual costs to the settlement agent. The additional amount(s) may vary and are to help cover the administrative aspects of handling the particular item or service and WWe hereby consent to and accept any related up-charges and further authorize settlement agent to make those changes on our behalf as necessary for the benefit of the above-referenced up-charges.

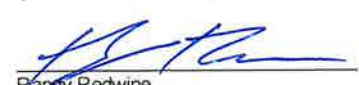

Due to the varying weights and/or sizes of packages and the fuel surcharges applied to different destinations of items shipped, it is not possible for us to accurately determine the exact amount of the cost for the delivery of such items. The amount of \$25.00 per item shipped shown on your settlement statement is our standard estimate of what we will be charged per item. If we have overestimated the amount that is charged for the delivery of an item, the difference will be refunded to the Settlement Agent. The Buyer and Seller agree to adjust the tax prorations shown on the Settlement Statement when the actual advalorem tax bill is rendered. Seller agrees to forward the next tax bill to Buyer immediately upon receipt of the bill from the tax office. Buyer understands that the next tax bill (even though in the name of the Seller) is the responsibility of the Buyer.

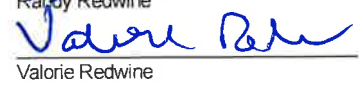

As part of the consideration of this sale, the contract between the parties is by reference incorporated herein and made a part hereof; the terms and conditions contained therein shall survive the closing and shall not merge upon the delivery of the warranty deed.

I have carefully reviewed the HUD-1 Settlement Statement and to the best of my knowledge and belief, it is a true and accurate statement of all receipts and disbursements made on my account or by me in this transaction. I further certify that I have received a copy of the HUD-1 Settlement Statement.
